Rural Crime Survey

2023

I understand that rural crime can have a huge impact on our communities, and want to know if you have been impacted.

Too often rural crime goes unreported and we need accurate information to reduce crime in our area. Please take a few moments of your time to complete my survey and share your concerns.

Kemi Badenoch MP
Saffron Walden
constituency

As your MP, I am determined to deal with the issues affecting our constituency. I will report back on the results of this survey and work with the local police and authorities to ensure our area is a safe place for all of us.
